PHILOPTOCHOS NEWS

We pray this finds you safe and well. We hope you had a blessed Easter at home.

In the interests of the health and well-being of our members and community we have made the difficult decision to cancel the Mother's Day Luncheon due to the COVID-19 outbreak. We will celebrate our beloved honoree, Judie Christopoulos, as Mother of the Year on May 8, 2021.

Even though we cannot be together to celebrate, we would still appreciate receiving your support. Our annual Mother's Day Luncheon is a major fundraiser. The revenue it generates is vital to perform our mission, to be there for those individuals and families in need – today and tomorrow -- as we always are and always have been. As the Novel Coronavirus spreads, we anticipate the needs of our community members will increase and we want to be there to care and comfort them. If you were considering attending the Mother's Day Luncheon or purchasing an ad in the program book, and are still in a position to give, we ask that you please make a donation, instead. May the Lord continue to watch over you and your family and especially now in these challenging times.

PHILOPTOCHOS NEWS

Everyone should take precautions during this time to try and stay well. There's no reason to panic. Get plenty of sleep, take your vitamins and wash your hands often! We have gone through many other viruses in years before. So let's just try to relax and get through this together. Be patient.

If you know someone who needs the help of Philoptochos during this time, please contact us so we may be of assistance.

With love in Christ's service,

Operation Christmas Child Donation Idea of the Month

Saint Sophia Sunday School, Saint Sophia Dance Program and the Saint Sophia Philoptochos Society are again collaborating in 2020 to assemble Operation Christmas Child shoe boxes. Thank you to all who participated in 2019. We collected and assembled 134 boxes last year. 2019 was one of our most successful years to date. This year's goal is to fill 300 boxes. Every month, between January and October, all parishioners will have the opportunity to make donations to help us meet this goal.

Our March focus is on handmade items for boys and girls. If you have not yet checked out the Saint Sophia Craft group, this is a good time to stay after church and lend a hand. The group is looking to make the following:

- 100 coloring story books with stick/finger puppet sets for the 2-4 year-olds.**
- 300 crocheted/knitted/sewn stuffed dolls and puppets for all ages**
- 200 friendship bracelets for the 5-14 year-olds**
- 300 handmade jigsaw puzzles for all ages**

Donations of yarn, felt, embroidery floss, fiber-fill stuffing, google eyes, small Styrofoam balls, mounting cardboard, craft sticks, 8 ½" x 11" copier paper and 8-count crayon boxes would help the group complete enough projects for this year's boxes. Please email Eleni Yokas if you have questions or want to help at stsophiasundayschool@gmail.com. On November 1, 2020, to celebrate the National Philoptochos Make A Difference Day, we will be hosting a "Pack-A-Box" luncheon for all parishioners to join us in completing this wonderful diakonia project. Admission will be your donation to this worthy project.

Celebrating Faith in Late Byzantium:

The Valadoros Epitaphios at the Benakis Museum

This talk, delivered by Professor Anastasia Drandaki, presents the story of the exciting discovery of the Valadoros Epitaphios, a rare, gold-embroidered fourteenth-century epitaphios and a true masterpiece of Byzantine art. The epitaphios is part of the bequest of the siblings Anastasios and Maria Valadoros, which includes more than 300 icons and a large number of ancient and ecclesiastical artifacts, rare editions and incunabula. The Valadoros collection is representative of the taste as well as the finances of a particularly cultivated representative of a flourishing middle class, which maintained contact with scholars, dealers, and collectors both from Greece and abroad. However, the content of the collection is eminently Hellenocentric. In the person of Tasos Valadoros, profound knowledge of ancient philosophy and the patristic texts was combined with his deep familiarity with the texture of silk fabrics. At the same time, his profession as a merchant of luxury ecclesiastical textiles brought him into contact and relations of mutual respect with prelates from the entire Orthodox world.

May 7 at 10:00 am –12:00 pm
