Seats will be available inside and outside the cathedral. Only the number of Liturgy attendees that can be accommodated with proper distancing in the marked lines on the pews will be allowed inside the church. **MASKS ARE MANDATORY** inside and outside the parking lot. No one will be allowed on the Saint Sophia property without a mask. If anyone removes their mask outside of taking the Holy Communion, they will be requested to leave and escorted outside the premises.

## PHILOPTOCHOS NEWS

Our deepest thanks to Mary Gallanis for making the beautiful and delicious Vasilopita bread that was cut in church on Sunday, January 3rd! It was once again amazing and we extend our gratitude to Mary for all of her hard work!

Don't forget: February is American Heart Month

Heart disease kills approximately 630,000 American men and women every year. Take care of yourself! Please be sure to have your annual checkup and see your doctor.

Valentine's Day fun: The early days of remembering, and honoring, Saint Valentine comes from the Western Christian Church back in AD 496 under Pope Gelasius. This day honored numerous Christian martyrs including a priest named Valentine, who died on February 14 in AD 269. Fast forward, in 1847, a young woman in Massachusetts, named Esther Howland, whose father owned a stationery store, received a Valentine card from a man in England. She loved the Valentine's Day card and decided to start making them herself. Within two years the demand for the cards grew all over the country. In 1868, British Chocolate Company Cadbury created the first heart shaped 'fancy' box for Valentine's Day and the rest is history. According to the U.S. Greeting Card Association, over 1 billion cards are given and exchanged every year in the United States. It is estimated that an additional 15 million are sent by 'email' or digital mail as well. This year be sure to tell someone how much you love them!

MEMBERSHIP 2021: Our membership drive has started! The mailings are out from our membership chairman Maria Toczek. Membership is important not only to our chapter but also to the Metropolis and National. Maybe you would like to
