ST. PAISIOS FEAST DAY

Join us on Tuesday, July 12th to celebrate the feast of a beloved contemporary intercessor, Saint Paisios of Mount Athos. 9am Orthros and 10am Divine Liturgy.

On the twelfth day of this month [July], we commemorate our Venerable Father Paisios the New the Athonite, who was perfected in peace in the year one thousand nine hundred and ninety-four (1994).

*Paisios, the tree of Mount Athos,
You were shown to be full of fruit, most-venerable one.
On the twelfth, Paisios reposed.*

Venerable Paisios (Enzepidis), the much-wondrous and much-famed, was born in Farasa of Cappadocia on the 25th of July in 1924 from Christian parents, taking the name Arsenios after the venerable Arsenios of Cappadocia. Later he came with his parents to Greece, settling in Konitsa of Epirus, distinguishing himself as a child for his reverence and faith towards God. When he became a man he went to Athos and became a Monk, receiving the name Averkios at the prayer for the cassock-wearing, then during the prayer for the small schema he received the name Paisios. To occupy himself more with asceticism he went to Sinai. He settled in the Cell of Panagouda in Karyes of Athos, and many signs in his life were done through him. Furthermore, through his teachings he brought many to the correct path. He also became the spiritual guide of the Sacred Monastery of Saint John the Theologian in Souroti. Towards the end of his life he became seriously ill, and having been perfected he was buried in the aforementioned Monastery on the 12th of July 1994. He has done many signs even after his venerable repose. Through his holy intercessions, Christ God, have mercy and save us. Amen.

His Eminence Metropolitan Gerasimos
Metropolitan of San Francisco
245 Valencia Street
San Francisco, CA 94103

Your Eminence;

As King Solomon is quoted in the book of Ecclesiastes 3:1 "There is a time for everything, and a reason for every activity under the heavens." For me the time has arrived that I must retire as Dean of Saint Sophia Cathedral effective on January 23, 2023. My last formal celebration of the Divine Liturgy will be on my birthday, Sunday the 22nd.

I have served my beloved cathedral for over 27 years. Much has been accomplished in the name of our Lord. I have served our Holy Greek Orthodox Church as a Deacon and Priest for over 40 years. I expect no formal recognition of any good that I have done. I have served with my beloved Metropolitan Anthony of blessed memory from the time of my priestly ordination to the untimely death of His Eminence on Christmas day 2004.

It has been my honor pleasure and spiritual joy to serve under your enlightened leadership since January of 2005. Someone once said "old priests never retire, they just fade away." I don't plan to fade away. I will be available to you and the church in whatever capacity you feel appropriate.

Thank you for your love support and guidance since "day one" of 2005. My love and respect for you is never ending.

With gratitude and love in Jesus Christ,

Fr. John S. Bakas,
Dean

LA GREEK FEST 2022

We have tentatively scheduled the weekend of October 7-9 for our LA Greek Fest '22. The viability of the fest depends on the following factors.

1. Dependable volunteers (with job descriptions) to work in designed areas. Volunteers must be workers not indulging in free food and drink. The fest is a fundraising event for Saint Sophia Cathedral. In addition, it is also a way to highlight our Orthodox Faith and Greek Culture.
2. The Fest is not a personal party for volunteers. It is a dedicated service to our church. Expenses cannot supersede income.
3. When volunteers make a commitment to work, it is important for them to show up and honor their commitment.

The LA Greek Fest is a major church and city cultural event. Let's put our "best foot forward". Thank you so very much for caring and working the LA Greek Fest '22
